

Shaftesbury Chamber Business Networking

Shaftesbury Chamber organises networking events to help local businesses get to know one another and support each other's businesses.

Our meetings are not about having to sell to others or having lots of people try to sell to you. Even if you are not a Chamber member you are welcome to come along to two meetings before deciding if you'd like to join. Becoming a member of the Chamber is only £40 per annum to gain access to all of the networking events held throughout the year. Membership offers a number of benefits and you will also have the opportunity to apply to do a ten-minute presentation at one of the meetings on an aspect of your business that could be of interest to other local businesses. Think of networking as an opportunity to share something about why you love doing what you do.

All meetings take place on a Thursday, coinciding with market day and we usually alternate breakfasts and lunches.

Each meeting includes:

- Opportunities for informal networking
- Time to briefly introduce yourself and your business to everyone
- A ten minute presentation of interest to businesses
- Announcement slot for local events (for which you can submit items), relevant Chamber notices and testimonials to thank other members for referring business
- A delicious breakfast or lunch at one of the Chamber's catering establishments
- The opportunity to distribute your business cards or other literature

Breakfasts are from 7.45 to 9.00am and lunches are from 12.30 to 2.00pm unless otherwise stated. If you would like your venue to be considered for hosting a Chamber networking event or you would like the opportunity to speak at one of the events please get in touch.
